

TRANSIT WATCH

**HELP
FIGHT
CRIME.**

Anonymously text (JPD) along with your tip to 847411.

tip 411

The City of Jackson and JATRAM will launch *Transit Watch*, August 1, 2015, a new public awareness and education campaign. *Transit Watch* program is part of a nationwide initiative developed by the U.S. Department of Transportation's Federal Transit Administration (FTA). Information will be available system wide for free distribution to riders as well as the general public.

The *Transit Watch* campaign encourages everyone who works for or uses the transit system to be aware of their surroundings and alert to activities, packages or situations that seem suspicious. If you see something suspicious, you can submit an anonymous tip to the Jackson Police Department (JPD) by either text message or using a web form. Help fight crime, text your tip to **JPD (tip411) 847411**.
