

**Press Release**  
**Fraud Detection**

The City of Jackson is striving to make government more effective and accessible to all citizens. Therefore, we are very interested in receiving citizen and employee concerns regarding fraud, waste, inefficiencies, or abuses within city government operations.

You do not need to provide your name to submit your concerns. The Internal Audit Division will strive to maintain confidentiality but should be aware that any information provided to us may become public record. Be advised that your internet address will be submitted to us if you contact us by email. If you are submitting your concerns, please:

- Describe your concern
- Provide the names of all individuals involved, including other witnesses
- Give the dates and times the incident(s) occurred and where it happened
- Include any supporting documentation such as birth dates, license plate numbers, photographs, social security numbers, addresses, invoice numbers, check numbers or other document numbers.
