ADDENDUM #1

REQUEST FOR PROPOSAL

SAVANNA WASTEWATER TREATMENT PLANT

PHASE 1 IMPROVEMENTS

NOTICE TO BIDDERS

The Request for Proposal for the above-referenced Project is modified as set forth in this Addendum. The original Request for Proposal (and any previously issued addenda, if applicable) remains in full force and effect, except as modified by this Addendum, which is hereby made part of the Request for Proposal. Proposers shall take this Addendum into consideration when preparing and submitting their Proposal, and shall acknowledge receipt of this Addendum in the Proposal Letter of Transmittal.

REVISIONS TO PUBLISHED RFP

1. Section 1.4 – Proposal Contents / Item (4) Project Team

The last sentence under the second bullet is changed as follows:

“Identify proposed minority owned and female owned subconsultants to be used ~~and their level of participation.~~”

Explanation: It is not necessary to describe the level of participation of minority owned and female owned firms in the Project Team description since this information will be included in the separate EBO Plan.

END OF ADDENDUM #1

QUESTIONS AND RESPONSES FROM ATTENDEES AT PREPROPOSAL CONFERENCE HELD JUNE 6, 2018:

1. Do the Proposals have a page limit?

Response: No

2. How will the plant operations and construction of the improvements work together and be coordinated?

Response: Construction sequencing and required temporary shutdowns of plant processes and equipment will be determined by the design firm in consultation with Veolia and the City.

3. Can a firm be both a Prime Engineer and then a subconsultant on another firm's Proposal?

Response: No

If proposers have additional questions they should be submitted via email no later than 5:00 P.M. Tuesday June 19, 2018 to Clyde Burnett at: cburnett@ajaservices.com

Meeting was adjourned approximate 2:15 P.M. The list of Attendees is attached. After the meeting, an informal tour of the Savanna WWTP was then conducted for those interested in seeing the plant.
